No, thanks. I can again remind Martha to send the e-mail and indicate that the OS has been confirmed for 9/27.

Since you received the invite, you should call in for the meeting.

Please remember to draft the e-mail concerning the Lime downtiering request.

Thanks.

Rob

FYI, I just got the meeting invite. Susan Bodine and Terri Dykes are also invited. Let me know if you need anything else from me. Thanks.
